Join us as we take children through the story of *The Invisible String* by Patrice Karst. Using a piece of invisible string as a euphemism for love, this story helps to show that you're never alone, even when your loved one isn't physically present. This special workshop for grieving children and their families will take place on

Sunday, July 8th
2:00 to 4:00 PM

at the
DMTF Center for Grieving Families
