MONDAY, SEPT. 17, 2018

7-8 P.M.

DMTF CENTER FOR GRIEVING FAMILIES
7 S. EARL ST., SHIPPENSBURG, PA 17257

Join us at the Drew Michael Taylor Foundation Center for Grieving Families as Kitty Dugan from Dugan Funeral Home & Crematory offers a presentation and follow up discussion regarding Children and Funerals. This conversation is intended for adults who would like to learn more about the topic. We frequently hear from parents who are unsure about whether they should take their child to a funeral or just really don't know how to talk to their child about cremation and other questions that arise when a loved one dies. This is an opportunity to have your questions answered by experts in the field. The "Let's Talk About..." series is funded in part by a grant from Partnership for Better Health.
