

The Drew Michael Taylor Foundation presents the 2024
BLUE BUTTERFLY BALL

a special dance for grieving families

Sunday, June 2 5-8 p.m. at Heritage Restored Farm, Newburg, PA

Because events like Daddy/Daughter Dances and Mother/Son Events can be HUGE grief triggers for those grieving the death of a loved one, the Drew Michael Taylor Foundation offers an alternative, a special event that welcomes ALL GRIEVING FAMILIES! Mark your calendars for the Blue Butterfly Ball on Sunday, June 2 from 5-8 p.m. and be prepared for a magical evening of food, dancing, tiaras/crowns and fun for all ages! If you are a grieving family that wants to enjoy a special evening of healing and hope, in the company of other grievers that "get it", reserve your free tickets now. If there are special friends or family members that have supported you on the grief journey, they are invited to join you at the Ball as long as space permits, but everyone must be pre-registered. Contact the Drew Michael Taylor Foundation at drewmichaeltaylor@pa.net or 717-532-8922 for more information or to register before May 19 or until the event sells out. *NO TICKETS WILL BE AVAILABLE AT THE DOOR - you must register by May 19!
